Dear «full\_name»:

**Second Request for «recert\_year» Social Security Benefit Information**

Last month we requested that you provide to us your «recert\_year» Social Security information. To date we have not received this information. What we need is explained as follows:

The government requires that we have the copy of the Social Security letter stating what the «recert\_year» benefit amounts are for all household members who collect Social Security benefits. If you do not have this letter(s) (see Sample letter attached), please contact your local Social Security Office at 1-800-772-1213 and obtain this documentation.**

This information must be received by «today\_plus\_6». If you are having problems with this request, please contact the office immediately.

Thank you,

«mgmt\_company»
