Amendment to Lease

Effective _____ through _____, the monthly payments for the leased premises known as «community», Apt. «apt_nbr», shall be as follows:

Basic Rent: \$
Market Rent: \$
Utility Allowance: \$
Resident Rent: \$

(This section required by USDA, Rural Housing regulations): It is understood that the use, attempted use, or possession, manufacture, sale or distribution of an illegal controlled substance (as defined by local, State, or federal law) while in or on any part of this apartment complex or cooperative is an illegal act. It is further understood that such action is a material lease violation. Such violations (hereafter called a “drug violation”) may be evidenced upon the admission to or conviction of a drug violation. The landlord may require any lessee or other adult member of the tenant household occupying the unit (or other adult or non-adult person outside the tenant household who is using the unit) who commits a drug violation to vacate the leased unit permanently, within timeframes set by the landlord, and not thereafter enter upon the landlord’s premises or the lessee unit without the landlord’s prior consent as a condition for continued occupancy by members of the tenant household. The landlord may deny consent for entry unless the person agrees not to commit a drug violation in the future and is either actively participating in a counseling or recovery program, complying with court orders related to a drug violation, or completed a counseling or recovery program. The landlord may require any lessee to show evidence that any non-adult member of the tenant household occupying the unit, who committed a drug violation, agrees not to commit a drug violation in the future, and to show evidence that the person is either actively seeking or receiving assistance through a counseling or recovery program, complying with court orders related to a drug violation, completed a counseling or recovery program within timeframes specified by the landlord as a condition for continued occupancy in the unit. Should a further drug violation be committed by any non-adult person occupying the unit, the landlord may require the person to be severed from tenancy as a condition for continued occupancy by the lessee. If a person vacating the unit, as a result of the above policies, is one of the lessees, the person shall be severed from the tenancy and the lease shall continue among any other remaining lessees and the landlord. The landlord may also, at the option of the landlord, permit another adult member of the household to be a lessee. Should any of the above provisions governing a drug violation be found to violate any of the laws of the land, the remaining enforceable provisions shall remain in effect. The provisions set out above do not supplant any rights of tenants afforded by law.

All other provisions of the Lease remain unchanged. If you have a question about your rent, please contact «mgmt_company» at «mgmt_company_phone».
